AIM & SCOPE

Physical Sciences book series aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Physical Sciences. It also provides a premier interdisciplinary platform for researchers, practitioners, and educators to publish the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Physical Sciences. The field of advanced physical sciences has not only helped the development in various fields in Science and Technology but also contributes the improvement of the quality of human life to a great extent. The focus of the book would be on state-of-the-art technologies and advances in Physical Sciences. It provides a remarkable opportunity for the academic, research and industrial communities to address new challenges and share solutions and discuss future research directions in the below field but not limited to

Astrophysics

Atmospheric and Space Physics

Atomic & Molecular Physics

Biophysics

Condensed Matter & Materials Physics

General & Interdisciplinary Physics

Quantum Science & Technology

Nonlinear Dynamics & Complex Systems

Nuclear Physics

Optics and Spectroscopy

Particle Physics

Plasma Physics

Relativity & Cosmology

Statistical Physics

Author Benefits

1. Peer reviewed publication
2. Selected chapters will be indexed in RSquareL and other indexing platforms including Amazon, Google Books etc.
3. Dual mode publication (One as an edited book with ISBN and another one as a Journal paper with ISSN)
4. DOI allotment to each chapter
5. Open access mode of publication in IIP Digital library
6. Optimised searching options to increase the visibility of the work to readers and other researchers which helps in citations
7. Unique dashboard to Author
8. Easy paper / chapter management system with transparency of the process including peer review
9. Adds points to API as per NAAC & NBA (India) and other accreditation bodies from abroad
10. One complimentary copy per chapter registration
11. Certificate to all authors who contributed chapter(s)

Chapter submission procedure:

Step 1: Go to IIP website www.iipseries.org

Step 2: Register in the portal by clicking on Signup

Step 3: You can submit chapter at your dashboard or directly through IIP website after you login

Step 4: Click on **submit chapter for edited book**

Step 5: Select the book series title along with **Book Series ID** to which you wish to submit

Step 6: Upload all necessary details along with your chapter in word file format. Refer **IIP Paper format** at download in IIP Website
