Heavy Metal Toxicity on Some Medicinal Plants

Aims and Scope:

"The edited book, " **Heavy Metal Toxicity on Some Medicinal Plants**," aims to provide a comprehensive and up-to-date exploration of the multifaceted interactions between heavy metal contaminants and medicinal plants. This book is designed to serve as a valuable resource for researchers, academicians, environmentalists, and policymakers interested in understanding the impact of heavy metal pollution on the quality, safety, and efficacy of medicinal plants. This edited book will synthesize current research, present novel insights, and offer a holistic perspective on the effects of heavy metal toxicity on medicinal plants. It aims to bridge the gap between environmental science, botany, and medicine, shedding light on the complexities of this critical issue and its implications for both human health and environmental sustainability.

List of Topics covered :

1. Introduction to Heavy Metal Toxicity
2. Heavy Metal Uptake and Accumulation
3. Impact on Medicinal Properties
4. Ecological Consequences
5. Phytoremediation Strategies
6. Toxicology and Human Health
7. Regulatory Aspects and Quality Control
8. Case Studies (Medicinal plants) and Research Findings
9. Future Directions and Recommendations

Case Studies and Research Findings:

The book will incorporate a wide range of case studies (Medicinal plants) and research findings that highlight the real-world impact of heavy metal contamination on medicinal plants.

Future Directions and Recommendations:

The final section will provide insights into future research directions, potential solutions, and recommendations for mitigating heavy metal toxicity in medicinal plants.

Conclusion:

The book will conclude by summarizing the key takeaways and emphasizing the significance of safeguarding the integrity of medicinal plants in an increasingly polluted world.

Author Benefits:

1. Selected chapters (not all) will be indexed in RSquareL and other indexing platforms including Amazon, Google Books etc.
2. Publication of chapter in book series with ISBN / ISSN
3. Publishing in IIP Proceedings Digital Library with DOI
4. Open access mode of publication in IIP Digital library
5. Optimized searching options to increase the visibility of the work to readers and other researchers which helps in citations.
6. Unique dashboard to Author
7. Easy paper/chapter management system with transparency of the process including peer review
9. One complimentary copy per chapter
10. Certificate to all authors who contributed chapter(s)

Chapter Submission Procedure:

- Step 1: Go to IIP website www.iipseries.org
- Step 2: Register in the portal by clicking on Signup
- Step 3: You can submit chapter at your dashboard or directly through IIP website after you login
- Step 4: Click on submit chapters
- Step 5: Select the book series title along with **Book Series ID** to which you wish to submit
- Step 6: Upload all necessary details along with your chapter in word file format. Refer IIP Chapter format at download in IIP

Support from IIP to the Editors & Authors

- *Reviewing support from IIP Reviewers
- *Plagiarism checking service
- *Submission management
- *Registration management
- *Individual dashboard
