Low Cost Insulated Green Material for Construction

Aims and Scope:

Insulated and Eco-Friendly building material is a type of material that doesn't harm the environment, whether in its production, use or disposal and can easily be recycled. Using Eco-Friendly materials is hugely beneficial in the long run. Building a green home reduces carbon emissions significantly and saves energy, which results in saving money on energy bills.

List of Topics:

- 1.Design of insulated concrete and mortar.
- 2.Low cost building material using waste material.
- 3.Design of building materials with partially replacement of waste materials.
- 4.Using of industrial waste in construction.
- 5.Domestic and agricultural waste in construction.
- 6.Using scrap material in construction.
- 7.Using insulated waste plastics in construction.
- 8.Design of sustainable insulated material.

Author Benefits:

1. Selected chapters (not all) will be indexed in RSquareL and other indexing platforms including Amazon, Google Books etc.
2. Publication of chapter in book series with ISBN / ISSN
3. Publishing in IIP Proceedings Digital Library with DOI
4. Open access mode of publication in IIP Digital library
5. Optimized searching options to increase the visibility of the work to readers and other researchers which helps in citations.
6. Unique dashboard to Author
7. Easy paper/chapter management system with transparency of the process including peer review
8. Adds points to API as per NAAC & NBA (India) and other accreditation bodies from abroad
9. One complimentary copy per chapter
10. Certificate to all authors who contributed

Chapter Submission Procedure:

- Step 1: Go to IIP website www.iipseries.org
- Step 2: Register in the portal by clicking on Signup
- Step 3: You can submit chapter at your dashboard or directly through IIP website after you login
- Step 4: Click on submit chapters
- Step 5: Select the book series title along with **Book Series ID** to which you wish to submit
- Step 6: Upload all necessary details along with your chapter in word file format.Refer **IIP Chapter format** at download in IIP Website

Support from IIP to the Editors & Authors

- *Reviewing support from IIP Reviewers
- *Plagiarism checking service
- *Submission management
- *Registration management
- *Individual dashboard
