## Call for Chapters

# Artificial Intelligence for Good Governance

### Aim & Scope

The primary aim of the book is to investigate and demonstrate how artificial intelligence can be strategically integrated into governance mechanisms in Jammu and Kashmir to promote better governance, efficient public services, and sustainable development. The scope of the book would encompass a comprehensive analysis of various aspects related to the application of artificial intelligence for good governance, specifically tailored to the unique socio-political context of Jammu and Kashmir, India. The book's contents could be organized into several key areas.

**1. AI Fundamentals:** Introduce the fundamental concepts of artificial intelligence, machine learning, and related technologies to ensure that readers have a clear understanding of the terminology and principles involved.

**2. Governance Challenges in J&K:** Identify and analyze the specific governance challenges faced by Jammu and Kashmir, considering factors such as regional disparities, and socioeconomic dynamics.

**3. AI Solutions for Governance:** Explore different AI applications that can address the identified challenges. This might include AI-driven solutions for public service delivery, resource allocation, disaster management, healthcare, education

**4. Ethical Considerations:** Discuss the ethical implications of using AI in governance, highlighting issues of privacy, bias, transparency, and accountability, and propose strategies to address these concerns.

**5. Policy Framework:** Delve into the policy and regulatory framework necessary for integrating AI into governance practices. Provide recommendations for designing policies that facilitate responsible AI adoption while considering the region's specific needs.

**6. Case Studies and Success Stories:** Showcase real-world case studies from Jammu and Kashmir or similar regions where AI initiatives have led to positive governance outcomes. Highlight the lessons learned and the potential for scaling up these interventions.

**7. Stakeholder Collaboration:** Emphasize the importance of collaboration between government agencies, local communities, industry partners, academic institutions, and civil society organizations to ensure the successful implementation of AI-driven governance projects.

**8. Capacity Building:** Offer guidance on building local expertise and capacities in AI technologies. Discuss training programs, skill development initiatives, and the importance of nurturing a skilled workforce.

**9. Future Vision:** Provide a forward-looking perspective on how AI could transform governance in Jammu and Kashmir over the coming years, envisioning a more efficient, responsive, and inclusive governance system.

### Author Benefits:

1. Selected chapters (not all) will be indexed in RSquareL and other indexing platforms including Amazon, Google Books etc.
2. Publication of chapter in book series with ISBN / ISSN
3. Publishing in IIP Proceedings Digital Library with DOI
4. Open access mode of publication in IIP Digital library
5. Optimized searching options to increase the visibility of the work to readers and other researchers which helps in citations.
6. Unique dashboard for Author
7. Easy paper/chapter management system with transparency of the process including peer review
8. One complimentary copy per chapter
9. Certificate to all authors who contribute chapter(s)

### Chapter submission procedure:

- Step 1: Go to IIP website [www.iipseries.org](http://www.iipseries.org)
- Step 2: Register in the portal by clicking on Signup
- Step 3: You can submit chapter at your dashboard or directly through IIP website after you login
- Step 4: Click on "submit chapters"
- Step 5: Select the book series title along with **Book Series ID** to which you wish to submit
- Step 6: Upload all necessary details along with your chapter in word file format. Refer "IIP Chapter format" at download in IIP Website

### Support from IIP to the Editors & Authors

- Reviewing support from IIP Reviewers
- Plagiarism checking service
- Submission management
- Registration management
- Individual dashboard

### For any queries

**Contact: + 9797072008**

**Mail us: [esishfaq@gmail.com](mailto:esishfaq@gmail.com)**

**Registration fee:** USD 30 INR.2000/- which includes processing fee with all above mentioned supporting services, Certificate hard copy to all authors, one complimentary copy of the book series per registration.
