Futuristic Trends in Cloud Computing

Aim & Scope:

Aim of the proposed Book Title is to proactively anticipate the future trajectories of cloud computing. This entails a thorough examination of existing trends, extending them into future scenarios. Additionally, it seeks to stimulate innovation by exploring nascent technologies and frameworks that hold the capacity to revolutionize or redefine the landscape of cloud computing. Ultimately, it aims to offer valuable information and insights that empower IT decision-makers, strategists, and researchers to make well-informed decisions regarding the adoption of cloud technologies and strategic investments. Scope of the proposed Book Discuss cutting-edge technologies and innovations that are poised to impact cloud computing, such as quantum computing, 5G, edge computing. Explore how various industries (e.g., healthcare, finance, retail) are adopting cloud technologies and anticipate industry-specific trends. Examine the evolving landscape of cloud security and privacy, including new threats and innovative solutions. Discuss how cloud providers are addressing environmental concerns and adopting sustainable practices. Delve into how AI and machine learning are becoming integral to cloud services and their potential applications. Cover regulatory changes and compliance requirements that could impact cloud adoption and data management.

List of topics:

1. Edge Computing Integration
2. Quantum Computing in the Cloud
3. Integration of AI and Machine Learning in the Cloud
4. Multi-Cloud and Hybrid Cloud Strategies
5. Security and Privacy Innovations
6. 5G and Cloud Computing
7. IoT and Cloud
8. Blockchain and Cloud Integration
9. Industry-Specific Cloud Trends
10. Case Studies and Future Scenarios

Author Benefits:

1. Selected chapters (not all) will be indexed in RSquareL and other indexing platforms including Amazon, Google Books etc.
2. Publication of chapter in book series with ISBN / ISSN
3. Publishing in IIP Proceedings Digital Library with DOI
4. Open access mode of publication in IIP Digital library
5. Optimized searching options to increase the visibility of the work to readers and other researchers which helps in citations.
6. Unique dashboard to Author
7. Easy paper/chapter management system with transparency of the process including peer review
8. One complimentary copy per chapter
9. Certificate to all authors who contributed chapter(s)

Chapter Submission Procedure:

- Step 1: Go to IIP website www.iipseries.org
- Step 2: Register in the portal by clicking on Signup
- Step 3: You can submit chapter at your dashboard or directly through IIP website after you login
- Step 4: Click on submit chapters
- Step 5: Select the book series title along with **Book Series ID** to which you wish to submit
- Step 6: Upload all necessary details along with your chapter in word file format. Refer IIP Chapter format at download in IIP Website

Support from IIP to the Editors & Authors

- *Reviewing support from IIP Reviewers
- *Plagiarism checking service
- *Submission management
- *Registration management
- *Individual dashboard

For any queries

Contact: 919704868721

Mail: potunarayana@gmail.com

Registration Fee: USD 40 INR 2000 which includes processing fee with all above mentioned supporting services, certificate hard copy to all authors, one complimentary copy of the book series registration
