Call for Chapters

Machine Learning : Application & Its Further Directions

Aims and Scope:

The goal of an edited book named "Machine Learning: Applications & Future Directions" should be to give a comprehensive and forward-thinking resource that tackles all areas of machine learning applications and investigates the field's developing directions and trends. Here are some particular goals and objectives for such a book: To Provide an overview of current state-of-the-art machine learning applications in many fields such as healthcare, finance, manufacturing, natural language processing, computer vision, and more. Also exploration of how machine learning is utilised in multidisciplinary situations, such as the interaction of machine learning with biology, economics, social sciences, and other subjects. It also considering the global perspective of machine learning applications, including case studies and research from different regions of the world.Ultimately, the goal of this book should serve as a helpful resource for readers in the fast growing field of machine learning, assisting them in making educated judgements regarding applications, research paths, and ethical issues.

List of Chapters but not limited to this :

• Introduction to Machine Learning Applications and Trends
• Ethical Considerations in Machine Learning Applications
• Healthcare Revolution: Machine Learning in Medical Diagnosis
• Finance and Machine Learning
• Machine Learning in natural language processing
• Machine Learning in Biology and Beyond
• Legal Aspect using Machine Learning
• Education and Skill Enhancement with Machine Learning
• Exploring Quantum Machine Learning
• Shaping the Future of Machine Learning
• Beyond Silicon: Intersection of Machine Learning with Neuromorphic
• Industry-Academia Collaboration: Bridging the Gap for Future Innovation
• Speculative Directions in Machine Learning

Author Benifits:

1. Selected chapters (not all) will be indexed in RSquareL and other indexing platforms including Amazon, Google Books etc.
2. Publication of chapter in book series with ISBN / ISSN
3. Publishing in IIP Proceedings Digital Library with DOI
4. Open access mode of publication in IIP Digital library
5. Optimized searching options to increase the visibility of the work to readers and other researchers which helps in citations.
6. Unique dashboard to Author
7. Easy paper/chapter management system with transparency of the process including peer review
8. One complimentary copy per chapter
9.Certificate to all authors who contributed chapter(s)

Chapter Submission Procedure:

Step 1: Go to IIP website **www.iipseries.org**
Step 2: Register in the portal by clicking on Signup
Step 3: You can submit chapter at your dashboard or directly through IIP website after you login
Step 4: Click on submit chapters
Step 5: Select the book series title along with Book Series ID to which you wish to submit
Step 6: Upload all necessary details along with your chapter in word file format.Refer **IIP** Chapter format at download in IIP Website

Support from IIP to the Editors & Authors

*Reviewing support from IIP Reviewers
*Plagiarism checking service
*Submission management
*Registration management
*Individual dashboard

For any queries
Contact:7020959472
Mail.us:pranay.meshram@raisoni.net

Registration Fee: USD 40 INR 2000 which includes processing fee with all above mentioned supporting services, certificate hard copy to all authors ,one complimentory copy of the book series registration
