## Call for Chapters

# Perspectives On Gender And Development

### Aims and Scope:

The book "Perspectives on Gender and Development" seeks to provide a thorough and multifaceted examination of the complex relationship that exists between gender and development. The goal of this book is to give a forum to a variety of theories, viewpoints, and empirical findings that clarify the complex intersections between gender dynamics and development studies. It seeks to analyse the complex aspects of women's empowerment, gender equality, and the struggles marginalised genders encounter in a range of international socioeconomic, political, and cultural contexts. This book seeks to add to the continuing conversation about gender and development by highlighting inclusivity, intersectionality, and the acceptance of various gender identities. It also hopes to inspire positive change and further the cause of just and sustainable societies on a global scale. The authors are solicited to contribute in the form of articles, illustrating research findings, reviews, projects, and survey works that describe noteworthy advancements in the following, but not limited to:

### List of Topics:

- Gender and Development
