Emerging Multi-Dimensional Approaches to Contemporary Relevance

Aims and Scope:

Individuals are identified as the networking agents connecting growth and productivity towards the building of nation. The dynamics of living has caused people to transcend ideas and goals while they enhance their stature of living. This book aims at consolidating the literary pieces into a single unit supplementing ideas and concepts which could be helpful to the readers. The authors in chapterization have attempted to contribute their wisdom and intellect to the enhancement of knowledge in their particular area/ field. The topics included will enable the readers to increase productivity and success while they perform their roles efficiently and effectively. I believe, this manuscript asserts positivity and would help the readers to further examine issues and obtain clues, and solutions in their spheres of activity.
