OBJECTIVES:

To be a key contributor in a progressive and dynamic organization in the field of Library and Information Science, that has tremendous potential for growth as well as to provide a challenging work environment and learning opportunities associated with it. To be a part of an organization, that entails job focus on hard work and service and where I could have an opportunity to work enthusiastically for the attainment of organizational goal.

Skills

- Develop and manage the collection of books and journals (both paper and electronic).

- Establish and maintain effective working relationships with academic staff and students, as well as external bodies such as publishers and suppliers.
- Deal with user inquiries, which may involve one-on-one advice sessions
- Deal with budgets concerning the allocated subject areas/departments and purchase resources.
- Keep abreast with developments in the library sector and participate in professional groups or networks.
- To lead and motivate others
